October Newsletter '08

Greetings,

October has been an exciting month for us, this newsletter you'll find links to two new videos and Micah in some of the cutest pictures of him yet!

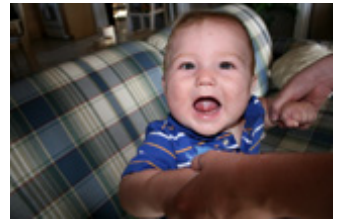

Happy Halloween

Holidays here are often different than what we're used to. Thanksgiving and the 4th of July are sometimes totally different being in another country. However, Halloween is pretty much the same. Emily and Alicia dressed up the kids and took them around the island of Spanish Wells for Trick-or-Treating. The Fox kids were a Dinosaur and a Flower, and Micah was a CandyCorn. We're convinced that he was the cutest that he's ever been.

Also, October celebrated his 6th month birthday - he's now 1/2 a year old! I'm sure that its not terribly exciting for everyone, but for us as parents, we're extremely proud!

The Bug Invasion

So, this isn't as good news, but it is October news nonetheless. We got blasted with bugs this month... like a ridiculous amount of bugs. You know in the Bible, the story about the plagues, when there were bugs crawling in their ground, and food and dishes, and houses - yeah, it was like that (well maybe not AS bad... but still).

Don't worry, the bugs are mostly dead now.

Update

Micah is almost crawling now. I made a bet last week, that he would be crawling by the end of this week, but he's still working on it. He is growing faster every day, and he's just a joy to have.

We had training going on during the last 2 weeks in October, and the class was team taught between Brad and myself and one of our graduates Donald Sweeting. It was a good class, but it was challenging material. You can expect to see a post on the class on next month's (November) prayerletter.

Finally, exciting news - we can now get packages and mail from you! If you ever want to send us anything, now you can - Emily set up an account with a flight ministry that serves missionaries throughout the Caribbean. Our mailing address is:

Prayers and Praises

We're so thankful for how the training classes are going - huge **praise** for that!

Praise for so many ministry opportunities for Emily; she's actually having to choose which ones to turn down

Praise for our family, and how the Lord continues to keep us healthy and strong

Pray for classes in Freeport

Pray for wisdom for Emily and which ministry opportunities to pursue

Pray for our relationships with the people on the island, we long to grow deeper with them

Thank you for keeping up with us and our progress in ministry. We so value your prayers and support, and we would ask you to take a moment and pray for our journey and how you can play a part. To find out more
